

Year 3 Home Learning Summer 2

Please choose at least two challenges from the grid and bring them in to school by Thursday 10th July so we can share them in our year group assembly.

The Ancient Egyptians had their own number system. See if you can use it to write out some number sentences.

Create a map showing the key places in Ancient Egypt. How has Egypt changed?

Learn more about mummification and then create your own mummy and sarcophagus.

Although we are studying the Ancient Egyptians in depth, we have also looked at an overview of where and when the first civilizations appeared. Create a poster or quiz to share with your class about one of the other first civilisations: Ancient Sumer; The Indus Valley; The Shang Dynasty of Ancient China.
