

AND RESOURCED PROVISION FOR  
HEARING IMPAIRED CHILDREN  
**Headteacher: Mrs C Findlay**

22<sup>nd</sup> April 2025

Dear Parents and Carers

Welcome back to the Summer Term! I hope you all had a good break with your children over the Easter holidays.

I know it is only the first day back, but I am already asking for a favour! This term we are focusing on ways in which we can further improve provision for pupils at lunchtime and we have enlisted the support of the educational psychology service to do this. Our aim is for all pupils to have an enjoyable and safe playtime so that they are refreshed and ready to learn when they return to class. We also recognise that play is such an important way for pupils to learn and develop.

As always when we try and improve things in school, we would really like to hear your views and opinions so that we can make sure we are working on the right things. The educational psychology team are collecting these views on our behalf and have provided us with a link to the questionnaire which you can use below.

<https://forms.gle/iGRAhvYNMdNwqhPQZ>

The questionnaire is only three questions long and it would be lovely to have as many responses as possible by Friday 25<sup>th</sup> April.

Pupil and staff views are also being collected this week in school.

On the first INSET day next week all of the staff will be receiving training in 'play' and we will be working as a team to look at the we can improve lunchtimes further. We will get back to you in due course with any updates or changes we will be making as a result of this piece of work.

Thank you for your support as always.

Kind regards

Mrs C Findlay  
Headteacher
