AND RESOURCED PROVISION FOR  
HEARING IMPAIRED CHILDREN  
Headteacher: Mrs C Findlay

13<sup>th</sup> March 2025

Dear Parent/Carer of a Year 4 child

In Computing, we have been learning how to create stop-frame animations. Year 4 children may bring to school any Lego figures that they would like to use to create their final animations on **Thursday 20<sup>th</sup> March**.

We would then like to invite you to our Celebration of Work on **Friday 21st March, 3:15-3:45pm**. This will be in your child's classroom. Please wait to collect your child as usual at the correct block door and we will invite you in once the other children have left safely.

We will be sharing the animations that we have made in Computing, along with other Science and Topic work that we have done this term.

This follows 4P's class assembly, which is at 2:45pm on the same day. 4P parents and carers are also invited to this event.

We hope that you can make it to our celebration and look forward to seeing you there.

Kind regards  
Mrs James, Mr Polley and Mrs Blissett
