

Year 4 Home Learning Summer 1

Please choose two challenges from the grid and be ready to share what you have done on **Thursday 22nd May** at our celebration of work with Year 3.

You should also be **reading** for at least 10 minutes every day and practising your weekly **spellings** by playing the games assigned to you on **Spelling Shed**.

<p>In Maths, we need to master all of our times tables!</p>  <p>The Year 4 Multiplication Tables Check is in June. The magic number to do well is <u>21 minutes of practice per week on TTRS</u>. That is just <u>3 minutes each day!</u></p> <p>Stick a fact that you are struggling to remember on the fridge. You have to say it every time you open the fridge! (Or you could put it on your bedroom door and say it as you go in and out!) Change the fact once you know it.</p>	<p>In Geography, we will be learning about mountains.</p>  <p>Can you find out about mountain ranges around the world? What is the longest mountain range? What are the highest mountains in the world and in the UK?</p> <p>Can you make a model of a mountain out of things that you can find at home?</p>	<p>In Music, we will be learning about pitch.</p>  <p>Pitch means how high or low a note sounds.</p> <p>Ask people at home to sing or speak as high and as low as they can! Who has the deepest voice and who has the highest?</p> <p>Try singing or playing a tune that you know as high and as low as you can. How does it change the mood of the tune? Which do you prefer?</p>
<p>In Art, we will be learning about the photographer Ansel Adams.</p>  <p>Ansel Adams took black and white photographs of the American West, where he lived. This included incredible pictures of the mountains of Yosemite National Park.</p> <p>Can you take photographs or draw sketches of the natural world around where you live? Try experimenting with black and white images, using contrast and shading to create different effects.</p>	<p>In English, we will be reading 'The Firework-Maker's Daughter' by Philip Pullman.</p>  <p>Read another book by this amazing author! I highly recommend 'I was a Rat' if you like humour and adventure, or 'Count Karlstein' if you like something a bit scarier!</p>
