

Manor Junior School – Review of PE and Sports Premium Expenditure 2023-24

Grant received 2023/24: £19,480

Key achievements 2023-2024

Activity/Action	Impact	Comments
<p>£10,932.00</p> <p>Employment of Premier Sport Company with the overall aims:</p> <ul style="list-style-type: none"> • Providing enrichment activities to support small groups of targeted children for various targets including confidence, self-esteem and working as a team • Providing support with after school clubs including Active Manor and athletics to help raise fitness of children. • Providing support at lunchtimes with assisted, more specialized sports, such as archery, rugby and hockey, for children to play • Sports Afternoons with sessions run and organised by Premier Sports to encourage teamwork, active lifestyle and cultural engagement in sport. • CPD for lunchtime staff shadowing coaches 	<ul style="list-style-type: none"> • Improvement in areas such as self-esteem, confidence and fitness for the children who attended. • Increase in children involved with clubs due to extra staff present. Focus on fitness through the clubs selected and children improved their stamina over the duration of the club. • Increase in lunchtime activity for children to help promote active lifestyle. Children are more actively engaged at lunchtimes. Introduction of enrichment sports give opportunities for children to explore and engage in new activities. • Sports Afternoons enabled whole school events which were used to promote active lifestyles and team ethos in events. Children had extra sports that had not been done before as enrichment. Aspects of culture, such as France (Olympics) were also studied as part of one of the afternoons. • Lunchtime staff have been given better ideas for active play. 	<ul style="list-style-type: none"> • Based on 5 week lessons, rotated every half term. Year group rotations meaning it was 3 sessions a week over one afternoon. • Clubs run twice a week after school each term. • Assisted with two lunch sessions a week for 30 minutes. • Sports Afternoons two sessions summer term. • CPD on rotation throughout year.

<p>£8,548.00</p> <p>Upgrade of PE, Games and play resources with the overall impact of raising standards in PE/Games and helping promote active lifestyles in the school and to promote this as a continuum outside of school</p>	<ul style="list-style-type: none"> The whole area of the games curriculum has been upgraded with new resources to compliment new ideas with our PE and Games curriculum. Dance, Gymnastics, Athletics and OAA have also been upgraded. Resources have been increased to, where possible, allow children one item each to help maximise skill development during learning. Play equipment has also been upgraded to allow children more choice for active play at lunchtimes with different zones to experience different types of play in. 	
<p>Total Expenditure: £19,480</p>		

Swimming Data

Meeting National Curriculum requirements for swimming and water safety.

<u>Question</u>	<u>Stats:</u>	<u>Further context</u> <u>Relative to local challenges</u>
What percentage of your current Year 6 cohort can swim competently, confidently and proficiently over a distance of at least 25 metres?	Not known for this cohort of pupils – please see the note for context.	Unfortunately, our local leisure centre was closed in 2021 and has still not been rebuilt. This means that we have had to transport our pupils to Yateley Secondary School. The cost of pool hire, swimming teachers and lifeguards is very expensive which means that not as many years groups swim as we would like to. In this current academic year, Year 4 have had 5 sessions of swimming and the total cost for this was £4791. In the academic year 2024/25 we will ensure that our Year 6 pupils are given a second set of sessions using the Sports / PE premium to provide a further opportunity to meet the National Curriculum requirements.
What percentage of your current Year 6 cohort can use a range of strokes effectively [for example, front crawl, backstroke, and breaststroke]?		
What percentage of your current Year 6 cohort are able to perform safe self-rescue in different water-based situations?		
If your schools swimming data is below national expectation, you can choose to use the Primary PE and sport premium to provide additional top-up sessions for those pupils that did not meet National Curriculum requirements after the completion of core lessons. Have you done this?	No	We will however be undertaken a second group of sessions for the current Year 6 cohort using the Primary PE and sports premium.
Have you provided CPD to improve the knowledge and confidence of staff to be able to teach swimming and water safety?	No	This is not required as when we employ qualified swimming teachers who are competent to teach both swimming and water safety.

Signed off by:

Head Teacher:	<i>Mrs Caroline Findlay</i>
Subject Leader or the individual responsible for the Primary PE and sport premium:	<i>Mr Adam Gunn (PE and Sports Lead)</i>
