TRANSITION DAY

Thursday 1st July is the local transition day where our Year 6 pupils will be visiting their secondary schools and we will be welcoming our new year 2 pupils.

Specific details have been sent to the relevant year groups.

NEW STAFF

We are pleased to welcome two new Communicators to the school. They are Mrs Duncan and Mrs Rees. They will be working within the Hearing Impaired Resourced Provision under the leadership of Mrs Brunson. We are pleased they have joined us and hope you will make them feel welcome as part of the Manor Junior School team.

GROUND FORCE DAY

There will be a further Ground Force Day this **Saturday, 12th June** from **11am to 2pm** if you and/or your family would like to come along and help.

SCHOOL HOURS

May we remind parents that the school hours are 8.45am to 3.15pm. Unless clubs are being held, all children should be picked up on time. An after school Kids Club is available should you need to use it.

We fully acknowledge that there may be occasions when parents are unavoidably late. However, it is a parents' responsibility to ensure that their child is collected promptly from school as soon as the school day, or after school clubs, finish at a pre-determined meeting point. After this time the school is no longer responsible for their supervision.

TESCO VOUCHERS

We collected an impressive 22,000 vouchers this year which have gone towards new ICT equipment including scanners, printers and video cameras. Thank you for donating your vouchers to the school.

SAINSBURYS VOUCHERS

The scheme is currently finishing and we would welcome any vouchers you may still have at home. We have already received over 10,000 vouchers which will help provide new sporting and art equipment for the school. Thank you again for your support.

FORTHCOMING VISITS

As we notified you several weeks ago the closing date for the receipt of permission slips for the following visits is tomorrow, **Friday 11th June**:

West Wittering Beach	Year 6
Chessington World of Adventures	Year 6
Paultons Park	Years 3, 4 & 5

In the event we have not received the relevant signed permission slip and payment your child will not be able to go and they will remain at school on the days in question. As these are non-educational visits we require payment in full.
