**We are delighted to welcome the return of the hugely popular Run Frimley on Sunday 4<sup>th</sup> May 2025!**

The event is comprised of a closed Road 5K and 10K race and features chip timing for all participants, to improve your overall running experience and safety. Back by popular demand, we also have our **1 mile 'colour' Fun Run** for all the family to take part in, featuring exciting paint and bubble activation zones! With an amazing atmosphere and various race distances, this is the perfect event for runners of all ages and abilities!

**The 1 mile fun run** course will stay within the grounds of the event village which means everyone can watch and cheer loudly to all those taking part. What is even more exciting is that we are making this event super colourful, but we will need your help with this too! There will be powdered paint and bubbles for all the runners to enjoy and embrace as you run together. Where we need your help is to add even more colour! We want to see the wackiest, craziest, and the most colourful runners we have ever seen!

Back bigger and better than ever is our **Event Village**, filled with an amazing range of activities and stalls, including **delicious caterers** and even a **massage** stand – there really is something for everyone. We even have **face painters, games, circus workshops** and more to keep your little ones entertained!

The day will start with the **10k at 09:30am followed by the 5k at 09:45am** and then finally the **fun run at 11:30am**. Please stick around post event to enjoy the event village and congratulate those at the trophy presentation around midday.

\*Cut off: Please note, anyone out on the 5K & 10K route after 11.30am will be picked up by our sweeper vehicle.

**Online registration closes Thursday 1<sup>st</sup> May at MIDDAY**

**All routes are wheelchair and pushchair friendly.\***
