Year 6

Autumn 2

Home Learning: Right Here, Right Now
Where have we come from?

Topic focus:

Science

Art

Discover Darwin	What if the dinosaurs hadn't died out?
Make a poster about Charles Darwin and his famous round the world trip in a ship called The Beagle to learn about variation. Information you could include: - When and where was he born? - Where did he work? - What was his important scientific discoveries? - When did he die? - What was his ship like? - How long did he travel for? - Where did he stop on his journey? - What did he discover and find out? You should include a list of websites/books you use.	Write a story about how the world would be different if dinosaurs had not become extinct. Ideas: Think about whether humans would have evolved or not and how dinosaurs would have evolved over time too. Here is an article about it: http://www.bbc.com/future/story/20170918-what-if-the-dinosaurs-hadnt-died-out
