A Manor family - Growing in the same direction

Monday 15th June 2026

Dear All,

School Federation Update

You may remember that on Thursday 14th May 2026, we wrote to let you know that the governing boards of Manor Infant School and Manor Junior School had agreed to move forward with forming a Federation.

I am pleased to share that The Federation of Manor Infant and Manor Junior School officially came into effect on Monday 1st June 2026. This is an important step for both schools, and we are very much looking forward to working even more closely together as one Manor family, while continuing to value the unique identity and strengths of each school.

Some of the formal steps have been completed, I wanted to update you on the progress made so far and what will happen next.

The first meeting of the new Governing Body took place on Monday 8th June 2026. At this meeting, governors made a number of important decisions, including the election of the Chair and Vice Chair of Governors. I am pleased to confirm the following appointments:

Chair of Governors:

Ms Stacey Parsons (former Chair of Governors at Manor Infant School)

Vice Chair of Governors:

Mr Peter Scrivens (former Chair of Governors at Manor Junior School)

Our next key step is to appoint a Headteacher for the Federation. The recruitment process for the role will begin shortly, with the aim of completing this before the end of the academic year. As set out in the consultation documents, the leadership structure will include one Headteacher working across both schools, supported by a Deputy Headteacher for each school. We recognise how important this decision is for our children, families and staff, and we will undertake this with great care.

We will continue to keep you updated as the federation develops. Thank you, as always, for your continued support for both Manor Infant School and Manor Junior School as we take this next step together.

Yours sincerely

Ms Stacey Parsons
Chair of Governors
The Federation of Manor Infant and Manor Junior School
