

## Year 3 Home Spring 1

Please choose at least two challenges from the grid and bring them in to school by Thursday 5<sup>th</sup> February so we can share you amazing learning in our year group assembly. Each week, please remember to read regularly and record it in your reading record, practise your spellings/handwriting and recall your multiplication and division facts.

### THROUGH THE AGES

How did life change between the Stone, Bronze and Iron Age?

In this topic we will go back in time and explore Go back in time and find out what Britain was like during the Stone Age, the Bronze Age and the Iron Age. You can learn more by looking here:

<https://www.bbc.co.uk/bitesize/topics/z82hsbk>

During the Stone Age people build shelters to live in using materials they had gathered. Gather some natural materials and build a model shelter.

As we will be learning all about prehistory. Create a quiz (with answers) to show what you have learnt.

<https://www.bbc.co.uk/bitesize/topics/zrwbqyc>

In art we will be exploring Stone Age art and the work of famous street artist Banksy.

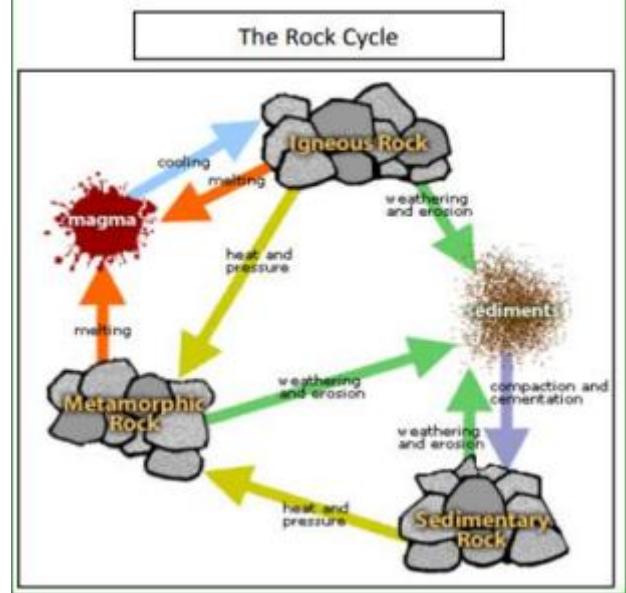

<https://www.bbc.co.uk/bitesize/articles/zd4n3qt>

Early humans may have used art as a way of helping themselves in their struggle for survival. Paintings of animals on cave walls are common.

Create your own piece of Stone Age inspired art.

In science we will be learning about rocks and soils.

<https://www.bbc.co.uk/bitesize/articles/zsgkdmn>

Create a fact file showing the different types of rocks and how they are formed.

This term we will be learning all about the names of animals in our French lessons. Create a fabulous poster showing the names of different animals.

<https://www.bbc.co.uk/bitesize/articles/z78wjhv>

<https://www.bbc.co.uk/bitesize/articles/z4nyvk7>

Create your own tool from the Bronze Age. Think carefully about which materials you will use, how you can cut and shape materials and decorate it effectively.
