

Key Facts

- For a healthy family life, it is important to care for, protect, and spend time with each other
- There are benefits to physical exercise, time outdoors, community participation, voluntary and service-based activity on mental well-being and happiness

By the end of these topics, I should:

- identify ways in which we can help those who look after us
- explain the positive impact of our actions
- describe the ways in which we can contribute to our home, school, and community
- identify the skills we may need in our future job roles

Ask me a question!

- How can we support society, our community, and our family/friends?
- What chores could you be responsible for at home?
- Can you name any skills that may be required for a future job role?

I will learn the following new words/phrases:
