RSHE Updates

Dear Parents and Carers,

You may be aware that the Department for Education released new guidance for Relationships, Sex and Health Education (RSHE) that schools must have in place ready for September 2026. At Manor Junior School, we feel confident that we have quality resources and curriculum progression in place to make sure that we are complying with the statutory guidance. As part of our work this year, we have ensured up-to-date coverage across the whole school and made sure that we have quality resources to deliver these lessons.

To ensure that we are consistently working in partnership with parents and carers, we'd like to invite you in to school to have an opportunity to review and consult on our wider Personal Social Health & Economic education (PSHE) curriculum, which incorporates the RSHE elements. You will also be able to view our updated RSHE policy, curriculum materials and to ask questions and share your thoughts. There will also be an opportunity to view the videos used in the Year 5 statutory topic of Puberty and the Year 6 non-statutory Conception topic, which will be taught in the Autumn term for next year's Year 5 and 6 pupils.

To make it as easy as possible, we'd like to invite you to come in on Thursday 9th July at 2.40pm, so that you can view materials and have your say, before pick up time at 3.15pm. We would welcome as many parents and carers as possible so that we can ensure all voices are heard. We look forward to seeing you on Thursday 9th July.

Kind regards,

Mrs Brown
