

Year 5 Home Learning Autumn 2

Please choose two challenges from the grid and be ready to share what you have done on **Tuesday 16th December** in our classes.

You should also be **reading** for at least 10 minutes every day and practising your weekly **spellings** (these will come home each week on a separate sheet).

Continue to practice your times tables

Log on to Times Tables Rockstars and see if you can increase your level!

There will be a battle between the classes. Can you help your class to win?

In DT, we will be learning how to make soup

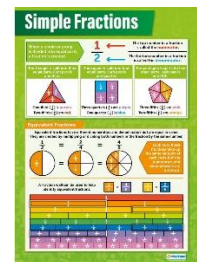

We are looking at using seasonable vegetables, can you make something at home using these seasonable vegetables?

We would love to see your pictures and recipes!

In Maths, we have been learning about fractions

Can you make a poster all about fractions.

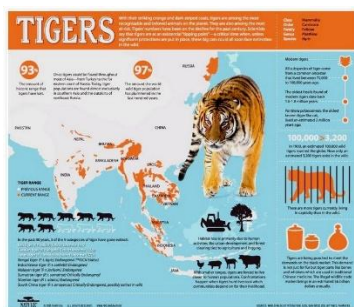

In English, we will be thinking about making information posters about a made up creature

Can you make an information poster about an animal of your choice.

Make sure you include information about:-

- Habitat
- Diet
- Sleeping
- Where it lives
- Varieties

In History, we will be studying the Anglo Saxons

Can you make a poster or power point with amazing facts about the Anglo Saxons.

Or

Can you make an Anglo Saxon house out of natural resources.
