

A Manor family - Growing in the same direction

Thursday 14th May 2026

Dear All,

Confirmation of Federation between Manor Infant School and Manor Junior School

We are writing to inform you that, following a period of consultation and after careful consideration of all responses received, the governing boards of Manor Infant School and Manor Junior School have agreed to proceed with forming a formal federation. This means that, from Monday 1st June 2026, our schools will operate under a single governing board.

What does this mean for our schools?

- Each school will retain its individual identity, admissions arrangements, and budget, but will benefit from shared leadership and governance.
- Our aim is to strengthen both schools by sharing expertise, resources, and best practice, ensuring the best possible outcomes for all our pupils.
- There will be no immediate changes to day-to-day teaching, staffing, or school routines.

Next Steps

- The new federated governing board will be established on Monday 1st June 2026
- Recruitment of a Headteacher for the Federation will begin
- We will continue to keep you informed and involved as we move forward together

We would like to thank everyone who took part in the consultation process and shared their views. Your feedback has been invaluable in shaping our decision.

If you have any further questions, please contact the schools' governing bodies via the school offices:
