Year 5 Home Learning Autumn 2

Please choose two challenges from the grid and be ready to share what you have done on **Tuesday 15th December** in our classes.

You should also be **reading** for at least 10 minutes, 3 times a week. Even more would be preferred.

Continue to practice your times tables

Log on to Times Tables Rockstars and see if you can increase your level!

There will be a battle between the classes. Can you help your class to win?

In DT, we will be learning how to make a salad.

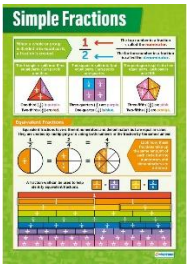

We are looking at using seasonable vegatables, can you make something at home using these sensonable fruits and vegatables?

We would love to see your pictures and reciepes!

In Maths, we have been learning about fractions

Can you make a poster all about fractions.

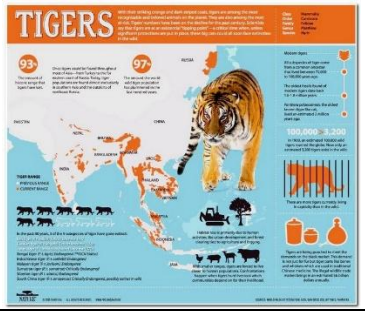

In English, we will be thinking about making information posters about a mythical creature.

Create an information poster about an animal of your choice.

Make sure you include information about:-

- where it lives and its habitat
- diet
- sleeping
- species

In History, we will be studying the Anglo Saxons

Make a poster or power point with amazing facts about the Anglo Saxons.

Or

Make an Anglo Saxon house out of natural resources.
