Key Facts

- In school and in wider society, you can expect to be treated with respect by others, and in turn, you should show due respect to others, including those in positions of authority
- It is important to recognise and talk about your emotions
- It is important to recognise and report feelings of being unsafe or feeling bad about any adult
- There may be occasions where you need to make a clear and efficient call to emergency services

Ask me a question!

- Who can help keep us safe?
- What is an emergency?
- When might the Fire Service be needed?
- Why should you not distract a driver?

By the end of these topics, I should:

- know what a 'hoax call' is and why it can be risky
- understand why our emergency services are an important part of our community
- be able to show my knowledge of fire safety to others
- be able to practise simple ways of staying safe and finding help
- be able to recognise how drivers can be distracted
- understand the importance of being responsible and how our actions/choice can affect others

I will learn the following new words/phrases:

Burgled	<i>When a building is illegally entered and items are stolen.</i>
Collapsed	<i>A person or structure that suddenly falls down.</i>
Flammable	<i>Can easily catch fire.</i>
Distraction	<i>Something that prevents you from concentrating on something else.</i>
Emergency	<i>A crisis or dangerous situation that requires immediate action.</i>
Hoax	<i>When you trick someone into believing that something fake is real or genuine.</i>
Declaration	<i>An important spoken or written agreement.</i>
