

Year 4 Home Learning Spring 1

Please choose two challenges from the grid and be ready to share what you have done on **Thursday 12th February** in our year group assembly.

You should also be **reading** for at least 10 minutes every day and practising your weekly **spellings** (these will come home each week on a separate sheet).

|---|--|--|
| <p>In Maths, we need to master all of our times tables by the end of Year 4!</p>  <p>Scan the QR code to try a Multiplication Tables Check game. This is exactly like the one that every Year 4 will take in June so it is great practice! You can adjust the difficulty, including which tables it checks, if you want to.</p> | <p>In Science, we will be learning about solids, liquids and gases.</p>  <p>How many examples of each can you find at home?</p> <p>If you want a reminder about solids, liquids and gases, try this help guide: https://www.bbc.co.uk/bitesize/articles/zngfp4j#zxgttrd</p> | <p>In Geography, we will be comparing Farnborough to Meudon in France.</p>  <p>What can you find out about what it is like to live in France?</p> <ul style="list-style-type: none">• What is the food like? Is there anything that they eat in France which we don't eat in Britain?• What is the weather like?• What are some different regions/cities in France and what is it like in those places?• Can you find out how to say a few things about where you live in French? |
| <p>In English, we will be reading 'Harry Potter and the Philosopher's Stone' by J. K. Rowling.</p> <p>In Art, we will be making sculptures.</p>   <p>Can you use items at home that are no longer wanted to create your own magical object?</p> <p>You could use junk modelling (save some things from the recycling bin!) or natural materials (things you find outside) to create your artwork.</p> | <p>In Music, we will be composing mystical music.</p>  <p>Listen to 'Hedwig's Theme' from Harry Potter. The composer is John Williams who is famous for composing music for films including Star Wars, Jurassic Park and E.T.</p> <ul style="list-style-type: none">• Draw what you imagine while you listen.• How does the music make you feel?• What instruments do you think are playing?• You could see if you could find out more about the instruments used – one of them is quite unusual! | |
