**Your school is supporting
'Walk to School Week'
Monday 19 May - Friday 23 May**

How can I help?

- Walk with your child and discuss potential hazards such as driveways, junctions, parked cars and bends
- Work out together the safest route even if this involves a slightly longer journey
- Let your child suggest places to cross and discuss their choice
- Practice the green cross code on your way to and from school - reminding them to stop, look, listen and think

I don't have time to walk!

- Park the car some way from the school gates and walk the last part of the journey
- Try to find time to walk with them once during the week
- Your child will qualify for a certificate if either option is taken

What are the advantages of walking?

- The chance to teach important road safety skills
- The chance to learn about the local environment
- A chance for a chat about the day
- Less congestion at the school gate
- A healthier way to start the day
